

CORTHE DERMO PURE CLEARING BETA PEEL | 3.5 PH

A professional-only gentle peel containing salicylic acid, glycolic acid and plant extracts that effectively soothe troubled, oily skin. Some highlights of this gentle formula include Oleanolic Acid which provides excellent anti-inflammatory, anti-bacterial properties.

Nordihydroguaiarectic Acid brings additional antioxidants along with increasing cell turnover.

KEY INGREDIENTS

- **Salicylic Acid**
An exfoliant that helps to clear pores and reduce acne.
- **Allantoin**
Provides soothing and healing benefits, helping to calm and repair irritated skin.
- **Glycerin**
A humectant that attracts moisture to the skin, keeping it hydrated and soft.

BEST SUITED FOR

Oily and acne-prone skin.

CONTRAINDICATIONS

Avoid if pregnant, allergic to almonds or aspirin.

BASIC PROTOCOL

+ PREP THE SKIN

Cleanse the skin with Corthe's First Aid Cleanser

+ BETA PEEL

Apply Beta Peel with gauze or brush. Apply up to 3 layers. Leave on for up to 5 minutes (do not wait between layers). ([watch tutorial](#)).

+ REMOVAL

Remove with Corthe's Foaming Gel Cleanser.

+ PROCEED WITH FACIAL

For advanced protocols refer to the back of the catalog.

FAQ

+ SESSIONS + INTERVALS

May be performed bi-weekly.

+ WHAT TO EXPECT

This is a no downtime peel.

+ CAN IT BE COMBINED WITH OTHER TREATMENTS?

Yes, please refer to the back of the catalog for protocols based on skin concern.

PRECARE + POSTCARE

Follow homecare regimen based on skin concern. Do not exfoliate for 7 days. Stay out of the sun, and keep skin hydrated.
