

# INFLACURE

Acne + Rosacea

A calming, recovery-focused treatment built around chlorophyll, urea, and botanical extracts. Its chlorophyll content absorbs red LED to support inflammation reduction, making it well-suited for acne, rosacea and dermatitis.

## BENEFITS

- Chlorophyll absorbs red LED to help reduce inflammation.
- Urea supports moisture retention and helps soften compromised skin.

## TREATMENT STACKING

Works well with acne, rosacea or barrier focused facials. Try BotaniO<sub>2</sub> Facial, Cool Remedy Facial or try with Carboxy, Clear Peel, Cryofacial Icy Mask

## OPTIONAL MODALITIES

LED Device (Required)  
Cryofacial Tools or Device
